Why I seek to serve on the Standing Committee:

I believe that as a member a parish, I should be open to serving the church beyond my parish. When I was asked if I would be willing to be nominated, I spent some time in prayer and I believe that God is calling me to this committee.

Issues:

The decline in church membership, financial literacy, violence on our streets, homelessness, the environment (global warming, renewable energy, etc.), interreligious programs and dialogue with people that are different from us.
