Why Standing Committee

I am a life long Episcopalian who believes we are all called to serve when and where we are able. The work of the Standing Committee is important and is fundamental for a healthy Diocese. I believe I have some of the skills that may be of value to the committee and this work.

Important Issues For the Diocese/Church

The issues are many and the opportunities are boundless because the Church is needed more than ever! Issues include the big social issues such as social justice, equity and tolerance to the very practical like money, properties, people and resources.

Respectfully Submitted,
