2. Provide a 40-50 word Statement on why you seek to serve in the office for which you are being nominated.

Standing Committee: I have served as President of the Standing Committee for the past year, and am glad to continue in this role for another term. I am helping to coordinate conversations around Standing Committee/Diocesan Council collaboration, and hope to be able to continue that work in leading the diocese well.

General Convention: A successful GC deputation takes a combination of seasoned and new voices. I am passionate about (and have a track record of) providing continuity in leadership, raising up young leaders, and using my experience to help bridge the work and resources of The Episcopal Church with the needs and gifts of our beloved diocese.

3. Provide a 40-50 word Statement on issues that you believe are important in the life of the diocese and the church.

I believe in all things we need to be about (in the Presiding Bishop's words) transforming the world from the nightmare it is for so many, into the dream God intends for us. This transformation includes Christian formation and raising up leaders, especially for/with young adults, and creating Beloved Community where all truly means ALL.
